The Mission of PBE is to be a profitable leader in the Automotive Refinish Aftermarket by aggressively establishing and maintaining the highest standards of quality and service.

To Do This We Will:

- Establish a partnership with our suppliers.
- Enthusiastically and responsibly meet the needs of our customers while receiving a fair price for our products.
- Provide a stable, safe and satisfying work environment for our employees, which foster opportunity, growth, innovation, teamwork and pride.
- Continuously improve our operational efficiencies by employee teamwork, cost containment and prudent use of capital funds.
- Provide a reasonable return on the funds invested in the company in order to provide for continued growth and expansion.

PBE's directors, officers and management are committed to providing the leadership, planning and the direction necessary to achieve our business goals.
